Dear Charles,

With great pleasure, the Texas Veterans Commission verifies HENDFAM, INC. as a Veteran-Owned Business in the State of Texas. To recognize your business, we have created the Texas Veteran-Owned Business logo for you to display proudly. The logo is offered as a jpeg file for use on your business websites and printed media along with two sticker decals.

The TVC Veteran Entrepreneur Program provides other services from business planning to successful market exit (selling or closing your business.) If you are interested in government contracting, contact us by visiting our website, <https://www.tvc.texas.gov/entrepreneurs/> and clicking on "Connect with a Business Consultant" button and choose "Government Contracting" to learn more about certifying as a Service-Disabled Veteran-Owned Business (SDVOB) or Minority/Woman-Owned Business Enterprise (MBE/WBE.)

Thank you for your service to our country and continuing to serve your community by providing goods and services to support Texas' growing economy. Show the Texas community that you are Veteran-Owned and open for business!

Very Respectfully,

A handwritten signature in black ink, reading "Charlie C. Osborne Jr." with a stylized flourish at the end.

Charlie C. Osborne Jr.
Director of Resource Management
